## Math

Play a game of Reach for the Top. Learn it, play it, teach it to others!
You'll need 2 dice and the game board (see below).

- Roll two dice.
- Add the numbers together to find the sum.
- Write the equation in the box over the sum.
- The game is over when one of the sums reaches the top!

## Reach for the Top!

|  |  |  |  |  |  |  |  |  |  |  |
| :--- | :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: |
|  |  |  |  |  |  |  |  |  |  |  |
|  |  |  |  |  |  |  |  |  |  |  |
|  |  |  |  |  |  |  |  |  |  |  |
|  |  |  |  |  |  |  |  |  |  |  |
|  |  |  |  |  |  |  |  |  |  |  |
| 2 | 3 | 4 | 5 | 6 | 7 | 8 | 9 | 10 | 11 | 12 |

How to play: Roll 2 dice. Find the sum. Write the equation in the box above the sum (or colour it in). The game is over when one of the sums reaches the top! Which sum do you think will win?
