

Writing:

Try these writing tasks this week:

- Write out the shopping list for your family
- Write a letter to a friend in the class. Mrs. Tavares can send it to them if you like. Ask them some questions and tell them what you've been up to.
- Brainstorm 5-10 Spring-themed words (mud, flowers, sun, etc.). Make up as many sentences as you can using the words.
- Design a new package for your favourite toy or food, including pictures and words.
