

Music Activity from Mrs. How:

Week 3- Gr. 1/2

If you have online access, please visit my website and find the online assignment at <https://mslhow.weebly.com/grade-12.html>. There are also games and videos to play there.

- 1) Read the words for **Old Mr. Rabbit**.

*Old Mister Rabbit, you have a mighty habit
Of jumping in my garden and eating all my cabbage.*

- 2) If you don't know the melody for Old Mr. Rabbit, try rapping the words.
- 3) This is an add on song. After saying cabbage, try adding on other vegetables that might be growing in your garden. For example:

*Old Mister Rabbit, you have a mighty habit
Of jumping in my garden and eating all my cabbage, and carrots, and celery,
and...*

See how many vegetables you can add on. Can you remember your list to say it all again?

- 4) Add some instruments that you make or find in your house. See how creative you can be! Maybe you can add some dance moves.
- 5) Perform the song with your instruments or dance for someone at your house.
