

Writing

Try 1 task
per day

- Write a list of all the things you're good at. Ask family to help you add to the list. Make your list into a chain decoration like [this!](#)
- Read Scaredy Monster Rides a Bike on [Epic Books](#). Write your own story about something you've learned to do that was scary and/or hard to do at first.
- Pick a sound to focus on for the day (such as d, like in dog or donut). Throughout the day find objects, people, words, - anything that makes the sound of the day. Take or draw pictures of everything you find. Write a story using all the words you found.
- Think of your 5 senses (sight, hearing, smell, taste, touch). Go outside and brainstorm what you can see, hear, smell, and touch that reminds you of Spring. Listen to [this story](#) about Spring Senses. Write your own story or poem about Spring!
- Write about how you feel about going back to school, whether it will be in June or in September. What do you think it will be like? What will we have to do differently to keep everyone safe?
