Writing

Try 1 task per day

- Make a Mother's Day card for the special women in your life (could be your mom, grandma, aunt, neighbour, etc.). Write about why they are special to you.
- Make a mini book (check out <u>this video</u> to see how to easily make an 8 page book from one piece of paper!).
 Write and draw different things that you and your mom like to do together.
- Make an "I Spy" scavenger hunt. Walk around your house and pay close attention to things that you can see (something yellow in the kitchen, something round in the living room, etc.). Write down these observations and then give them to a family member. See if they can find everything on your list!
- What do you think the animals are noticing during this pandemic? Write about what is happening from an animal's point of view.
- Check out this <u>"ending sounds" poster</u>. Practice reading the words. Can you come up with any other words that end with these sounds?

 Click the link or scroll down to see the poster.
