

Week 2- Gr. 1/2

If you have online access, please visit my website and find the online assignment at <https://mslhow.weebly.com/grade-12.html>. There are also games and videos to play there.

If you don't have online access, please do the following activities:

- 1) Sing ***Eensy Wincey Spider*** . Here are the words to help you:

The eensy weensy spider
Went up the water spout
Down came the rain and
Washed the spider out
Out came the sun and
Dried up all the rain
And the eensy weensy spider
Went up the spout again

Then the little spider
Began to weave her thread
Of gossamer and silk
She spun herself a bed
Round and round she went
Till all her work was done
And soon a magic web lay
Gleaming in the sun

- 2) Sing the song again and tap the beat on your leg while you sing.
- 3) Sing the song again and tap the rhythm on your hand while you sing (remember that the rhythm is the way the words go).
- 4) Can you use different voices to sing the song? What if it's a big spider or a tiny spider?
- 5) Add some instruments that you make or find in your house. See how creative you can be! Maybe you can add some dance moves.
- 6) Perform the song with your instruments or dance for someone at your house.
